With the abrupt move to remote learning in March, progress toward meeting this year's committee goals was disrupted and the committee discussed continuing to pursue them for the upcoming year. A new grade reporting system for Fall, 2021 will be a #1 goal, with the possible addition of a goal to review literacy education. This discussion will continue in next month's meeting, with the objective of finalizing them at that time.

Meeting was adjourned by Mahoney at 5:40.
