

## **EISA Subcommittee Agenda 3/31/21, 4:30 - 5:30 pm**

### **Via Zoom**

#### **Draft of 3/24/21 minutes**

In attendance: Chair Tammy Mahoney, School Board Subcommittee members Jamie Fitzpatrick and Dawn Dutton, Superintendent Tom Ambrose, Director of Teaching and Learning Patty Haynes, K-6 Math Coordinator Donna Donnell, High School Assistant Principal Matt Malila, Bakie Principal Christopher Snyder, Memorial Principal Ryan McCluskey. Called to order by Mahoney at 4:30 pm. Minutes of the 2/10/21 meeting were reviewed and unanimously approved by a roll call vote. Ms. Mahoney opened the meeting by reading "A Checklist to Ensure Meetings Are Compliant with The Right-To-Know Law during the State of Emergency."

Mr. Malila reported that the HS Diploma/Schedule committee is in the process of gathering and reviewing data, and is targeting April to report to the EISA committee.

Dr. Haynes presented the recommendation of the math curriculum search committee, which is to adopt "EnVision Mathematics 2020 - Common Core" for grades K-6. The committee reviewed 20 curricula and used a number of tools and methods to isolate programs which would meet the district's requirements, including surveys of families from each school. It was test piloted with 2 other finalists, Reveal Math and Illustrative Math, and determined to be the superior fit for the district. The presentation was followed by lengthy discussion, with committee members asking a number of questions including inquiries into the materials, performance history, and experiences of other districts. Members were invited to the SAU office on 3/26 for an open review of the materials and to provide the administration additional time to research these questions, and it was agreed that the committee would meet on 3/31 for further discussion.

Meeting was adjourned by Mahoney at 6:10pm.
