Welcome to Second Grade!

On the first day of school (August 26th), please bring the listed supplies below. Every second grader will have a desk! Some of the supplies are labeled optional and are only if your child wants their own to keep in his/her desk. You may, but are not obligated to buy school supplies and bring them in a plain, plastic pencil box (no larger than 9"x5"). If you want your own materials, we suggest pencils, a 16 or 24 pack of crayons, erasers, glue sticks, etc. Everything needs to be able to fit in your box. If you can't get all of these supplies, don't worry, we have plenty to share and can restock these as needed. However, we do ask that every second grader bring in the supplies that are used by everyone. These supplies help to keep our classroom clean, healthy, and running smoothly. The headphones will be your child's personal set and need to be labeled with his/her name on them. We will give your child a big bag to keep them in for the year.

Have a great summer! See you in August!
