SCHOOL BOARD SELF-EVALUATION AND GOAL SETTING

Statement of Purpose:

The purpose of this policy is to assure that the Sanborn Regional School Board defines operational goals on an annual basis and conducts an annual self-evaluation. The Board's annual goals and objectives will serve as a benchmark and criteria for the annual self-evaluation.

Statement of Policy:

In May of each year, the school board will convene for a workshop meeting to present the annual self-evaluation and set goals for the ensuing school year. The format of the meeting shall be as follows: brainstorming, selection of goals, methods of goal implementation, responsibility for goal achievement, publication of goals, and formal approval of goals.

The following areas of Board operations and relationships are representative of those in which objectives may be set and progress appraised:

1. Relationship with the Superintendent
2. Community relations
3. Board meetings
4. Staff and Personnel Relationships
5. Relationship to Instructional Program
6. Financial Management of Schools
7. Policy development
8. Risk management
9. Other areas the Board determines should be evaluated

While the board may decide to do so, it is not expected that every area listed above will necessarily be annually reviewed.

The Board desires that the annual self-evaluation and goal setting will clarify the Board's role within the school community, address areas for the Board to improve, and address areas for which the Board should be commended.
