ADVISORY COMMITTEES

Statement of Purpose

The purpose of this policy is to describe the manner in which the board may, from time to time, appoint committees to advise and assist it as needed.

Statement of Policy

The school board may appoint advisory committees organized to assist the board in research projects, long-range studies, development of policies, or educational goals.

Final action and responsibility in all cases shall remain with the school board and shall be based on a majority of the members.

Committee membership may include: citizens, employees, students, and other individuals as deemed appropriate.
