A Message from Administration:

Dear Sanborn Students and Families,

What a wonderful start to the school year. It was amazing to hear the hallways of Sanborn bustling again with the start of the new year. The four day start gave everyone a chance to settle in before the extended long weekend. We hope you were all able to get outside and enjoy the beautiful weather. Here are a few reminders:

Student Schedules: If your student would like to request a schedule change, please have them complete the [google form](#) which can also be found on the high school website. School counselors will only work from the google form to make schedule changes, they will not be able to respond to individual emails. If they have questions for your student, they will reach out to him/her via their school email. The add/drop deadline is Wednesday, September 6th.

Back to School Forms: Students may not start school until all back to school forms have been completed. These must be done in the "ALMA Start" module. Information on how to access this online portal can be found [HERE](#). Back to school forms must be completed by **Thursday, August 31st**. After August 31st, Google accounts will be suspended until the forms are complete.

Please reach out if you have any questions!

Best Wishes From Your School Administrative Team,
