below.

Monday, March 27th:
**Understanding your Senior's Financial Aid
Award letter @6:00pm in the library**

Please **[CLICK HERE](#)** to view the end of year events calendar.
The calendar is a live document.

A Message from Administration:

All Juniors will be taking the SAT during the school day on March 22nd. In NH, the SAT is our state required test. We will start the morning with a free breakfast and then they will head off to their testing rooms. The test will take approximately 4.5 hours. Juniors may be dismissed after the test with a note from a parent or guardian. It is important to take advantage of this opportunity to send their test scores to 4 colleges for free. Students have been preparing for the exam in their English, Math and Social Studies classes. We will also be teaching them some skills to cope with test anxiety. Please encourage your students to log into their Khan academy accounts to continue the preparation at home.

While Juniors are testing, Seniors will be having some final opportunities to learn some Adulting 101 skills. We will start the day with some team building activities and have two sessions for career speakers, then we will have mini workshops on such topics as self defense, civic responsibilities, basic car repair, healthy cooking on a budget, mindfulness, stress management, and travel abroad. Participation in this day is a graduation requirement. Students will have an opportunity to earn raffle tickets during the course of the morning for a variety of prizes which in the past have included laptops, tablets, tv's and supplies for your first apartment/college dorm. The day will end in time for students to attend NECC classes, their internships or their SST classes.

On the same day, all Freshmen will participate in a field trip to the Plaistow YMCA for some team building/healthy living activities. More information will be sent directly to Freshmen parents via email.

Yours Always,

Jennifer Michitson, Dr. Robert Dawson, Nichole O'Brien, Heidi Leavitt, and Timothy Westphal

Class of 2023 Senior Spotlights

Meet Alayna Markee

Best Memory: Soccer season of 2021

Extracurricular Activities: Soccer

Traits that describe Alayna: Funny, outgoing

Favorite Teacher(s): Ms. Trudeau Doc young Mr. Croteau

What the staff have to say about Alayna:

Dr. Conant: Alayna was a pleasure to have in class. She reached out to me to advocate for her learning. Her smile lights up the room. I wish you all the best in your future endeavors.

Meet Breanna Greene

Best Memory: 1. Homecoming Junior Year 2. Hanging out in the library talking to Mrs. Ryan 3. Class with Doc Young

Accomplishments: 1. New Hampshire Scholars (career pathway and tradition NH Scholars) 2. Got into all colleges with presidential scholarships 3. Got elected student ambassador for Health Sciences at SST.

Traits that describe Breanna: Loyal, attentive, competitive, determined, fearless

Favorite Teacher(s): Doc Young and Mrs. Ryan

What the staff have to say about Breanna:

From the moment I met Bre when she was a freshman, I could tell that she had a maternal care-taker quality about her. She was someone that her friends went to for advice, and she paid attention and took care of people, sometimes even before they realized they needed that care. She is so thoughtful. She has an ability to focus that is well beyond her years. I know she will go far in life. - Jules Ryan

Meet Daniel Emery

Best Memory: ditching half of the last day of junior year to go to the dunks in haverhill

Traits that describe Daniel: laid back, calm

Favorite Teacher(s): Mr. bebe

What the staff have to say about Daniel:

Though I haven't had the privilege of knowing Dan long, he's quickly proven to be a bright student with impressive critical thinking skills. He's adept at considering multiple points of view and weighing the pros and cons of each, and he's open to hearing new perspectives even when they may not mesh with his in the moment. He's genuinely interested in exploring difficult subjects. Along with this, he's no stranger to detailed historical research, which he puts to use reenacting different conflicts from history in his free time. His openness to discussion, investigative skills, and attention to detail will serve him well in his years after graduation, and I wish him all the best this year and beyond. ~Mr. Beebe
J Kelly: Dan is fun to talk with. He has a great friend group, quirky interests and the ability to play the devil's advocate and still maintain a good natured disposition. Dan is truly the kind of guy you would want in a foxhole with you.

Meet Kate Lussier

Best Memory: My best memories at Sanborn come from extracurriculars and school spirit activities. I've loved the homecomings I had, participating in the skit and dance, and watching all of the sports games with my friends. I also loved playing sports, my field hockey team was the most tightly knit team I've ever been on, and

Extracurricular Activities: NHS, SHS, StuCo, Class Council, Key Club, Field Hockey, Softball

Accomplishments: Student of the year in Math and English Freshman year, Student of the year in English, Social Studies, Wellness, and Spanish Sophomore year, Student of the year in Science Junior Year, Society of Women Engineers, St. Michael's book award Junior year, 2nd team all state field hockey junior year

Traits that describe Kate: Helpful, happy, motivated, and kind

Favorite Teacher(s): Mrs. Petruzzi, Doc Young, Mr. Parsons, Mrs. Alley, Mrs. Mercedes

What the staff have to say about Kate:

Mrs Mulvey: Kate beams. I will never forget the story Mrs Boisvert told of when Kate truly let herself show in English class - she hasn't stopped shining since!

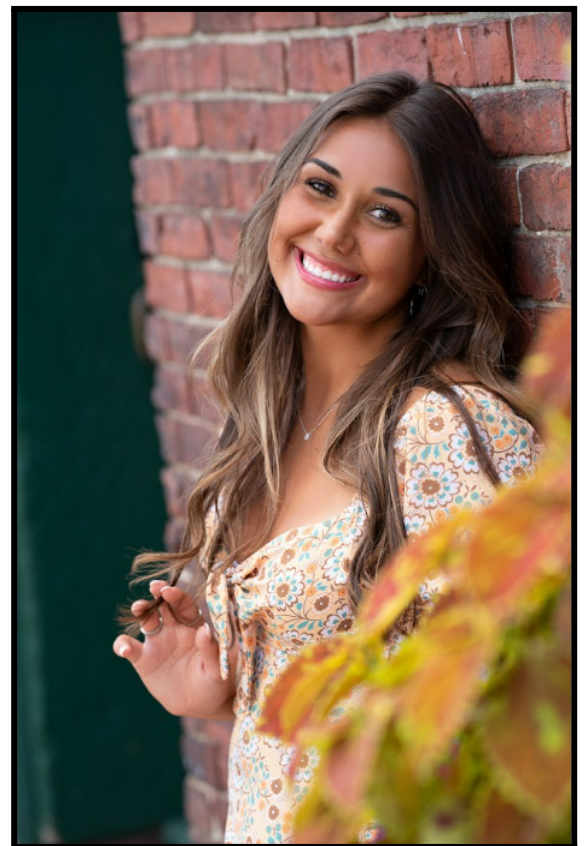

Ms Petruzzi: Kate has a charismatic smile that can brighten your day. She has a curiosity to learn and a desire to strive to be her best. She has so much potential that I look forward to seeing where her passion takes her. Kate is always willing to help others, whether with grants or chemistry. Kate's presence will be missed in the school.

Croteau: Kate is in charge. Kate is wonderful. Kate is kind, intelligent, and a radiant soul. Somehow we (Sanborn) are going to have to survive without her next year...Kate should stay.

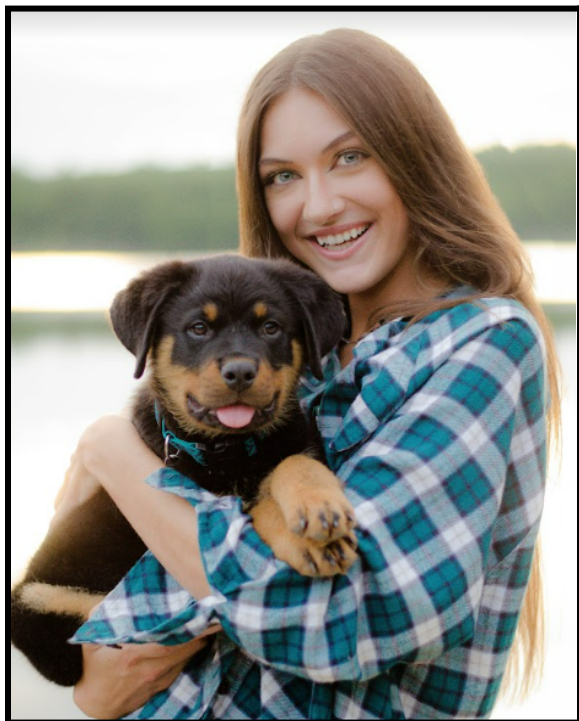

J Kelly: Kate is magic. She makes things happen, is dependable and is friends with everyone. She has made my life easier on student council. Plus she works incredibly hard. Kate will light it up at the next level as she did at Sanborn. It's all yours Kate, you just have to do it.

Kate has been an asset to the student council this year. She works hard to see that things get done...and then some!
BBoisvert

Kate's amazing! I first met her last year in Precalc, she always asked great questions and clearly wanted to deepen her understanding of the material. She's super helpful to her peers, a quality of hers I've missed this year. I know Sanborn (and I) will miss her presence a ton next year. I can't wait to hear about what she does next! Parsons

Meet Ashley Wettergreen

Best Memory: Winter Carnival

Extracurricular Activities: Key Club, Spanish Honor Society, National Honor Society

Accomplishments: World Language Spanish Speaking Student of the Year, Social Studies Student of the Year, and Fitness Student of the Year

Traits that describe Ashley:

Favorite Teacher(s): Croteau, Cleghorn, Hurley, and White

What the staff have to say about Ashley:

Hurley: Ashley is a very hard worker. I loved having her in class this year. I miss seeing her in the building this year, as most of her day is spent at NECC.

Cleghorn: Ashley is one of the most genuine and humble people I have had the privilege of teaching. She is a hard worker and never steps down from a challenging question or situation. She is the first to step in when a classmate is struggling to lend a hand or a shoulder to cry on. Her future is bright, and I wish her nothing but the best.

Mr. Croteau: Some days you just need a little bit of Ashley to brighten your day! Since we met in sophomore year, under the Zoom cloud, she has not only excelled academically, but has shone through it all, not only brightening my days, but anyone else that she meets! Kudos Ashley.

Meet Kylee O'Brien

Extracurricular Activities: nursing internship

Accomplishments: getting my LNA and following my dreams

Traits that describe Kylee: funny, caring, helpful, considerate, compassionate, responsible, dependable

Favorite Teacher(s): mr.enright, ms.clarke

What the staff have to say about Kylee:

Petruzzi: Kylee is a little spitfire who has grown a lot, and has really started to put in the work needed to reach her goals.

Mr. Enright: Kylee is someone who makes her presence known! Whenever she enters my room, she has a big smile on her face that just brightens my day. I have enjoyed watching her grow as a person and develop as a student while she worked toward her goal of becoming a nurse. Good luck in your future pursuits Kylee!
