Club, Organization, and Classroom Happenings

SRHS Student Council Recognized at the State and National Level

Please join us in congratulating our Student Council for once again being recognized as an honor council in the state as well as the country. In addition, they worked hard this year to earn the IOU Award which recognizes outstanding community service to Improve Our Union. This is something we worked hard for this year as we missed it by one point last year.

SRHS Students Enjoy a Whale Watch

On Friday, May 26th, students from Marine Biology and Environmental Science enjoyed a whale watch off the coast of NH. The weather and conditions were perfect, and whales were spotted.

SRHS Students Learn About Environmental Spill Response

Mr. Jason Domke visited Sanborn this week. He is the lead Environmentalist Spill Response person for New Hampshire. He cleans all aquatic and terrestrial toxic spills and is on a 24/7 on call rotation. He cleans things from oil spills from downed tankers to cleaning reefs to decontaminating your house after your oil tank leaks. He allowed us to view the inside of his truck and showed us tools he uses to contain oil in the ocean.

SRHS Students Receive a Visit from the New Hampshire Energy Education Program

Angie Krysiak from the New Hampshire Energy Education Program (NHEEP) spent two days in the classroom with students conducting hands-on energy conservation and efficiency labs. Her main focus was to show students the benefits of renewable energy and the ways they can conserve energy in their homes.

Support the Sanborn Submariners!

Please let the Sanborn Submariners reach their final goal! The Sanborn human-powered submarine team will be competing at the International Submarine Races beginning on June 24 and looking to raise additional funds for the trip accommodations. If you are an individual or business looking for a unique opportunity to support student learning, please reach out to Jim Enright - jenright@sau17.net. Every bit of support is greatly appreciated. **[CLICK HERE](#) for more information on how you can help!**
